National Courts

- ☐ Judicial Panel on Multidistrict Litigation
 ☒ U.S. Court of Federal Claims
 ☐ U.S. Court of International Trade

2.) I am an individual associated with

The Institute of Intergovernmental Relations at Queens' University

3.) Please summarize why the case information from the Public Access to Court Electronic Records (PACER) service is needed and how it will be used. Also, please explain why an exemption from the courts identified is necessary. If you need more space, please provide in an attachment.

The Institute of Intergovernmental Relations at Queens University is working on a research program that closely examines the three forms of global financial crime (offshore tax evasion, international money laundering and terrorist financing). To address the research questions within this project, we require access to case information from the PACER service. Case information will be used to collect data and support our hypotheses. We are asking for continued access to PACER as the service aided our research findings last summer. The questions PACER will be used to answer are as follows: 1. What law, policy or enforcement regime is lacking that allows for large amounts of funds to be masked and transmitted across borders?

2. What is the illicit relationship between offshore tax havens and global financial crime?

3. Which international regions are hotbeds for illicit funds transferred through Canada and other countries?

4.) In support of this application, I affirm the following:

- a) An exemption from the Judicial Conference's EPA Fee is necessary in order to avoid unreasonable burdens and to promote public access to information.
- b) That the exemption will be for a definitive period of time: February 2022- Septemeber 2022
- c) I understand that this fee exemption will apply only to me, will be valid only for the purposes stated above, and will apply only to the electronic case files of the court(s) indicated above that are available through the PACER service.
- d) I agree that any data received through this exemption will not be sold for profit, will not be transferred, will not be used for commercial purposes, and will not be redistributed via the Internet.

Declaration: I declare that all the above information is true and understand that a false statement ☒ may result in termination of my exempt access and an assessment of Electronic Public Access usage fees. (The box must be marked or your request will not be considered)
